THE PRENTICE-HALL CORPORATION SYSTEM, INC.
50 WEST BROAD STREET
SUITE 1800
COLUMBUS, OH 43215

Dear Sir or Madam:

Please be advised that pursuant to Ohio Revised Code Section 1703.27(G), every nonprofit corporation whose articles or other documents are filed with the Secretary of State of Ohio, must file a verified statement of continued existence. This certificate must be signed by a director, officer or three members in good standing, set forth the corporate name, the place where the principal office of the corporation is located in Ohio and outside Ohio, the date of qualification, the fact that the corporation is still actively engaged in exercising its corporate privileges, and the name and address of its current agent. If the current agent's name or address is incorrect, then please submit a statutory agent update form (Form 521) to correct the record. The certificate must be filed before the expiry date listed above.

Pursuant to Section 1703.27(G), the requisite statement of continued existence for the above referenced corporation is now due to be filed. Failure to file such statement before the expiry date will result in the cancellation of the articles of the corporation. A statement of Continued Existence form has been enclosed for your convenience and use. This filing may be submitted by mail or online. Please forward the completed form, together with the filing fee of twenty-five dollars (\$25.00) to the office of the Secretary of State, P.O. Box 788, Columbus, Ohio 43216-0788. To submit online, please go to <https://bsreport.sos.state.oh.us>. This option requires credit card payment.

If you have questions regarding this notice, please contact our Customer Service department at (614) 466-3910 or (toll free) 1-877-SOS-FILE or email us at busserv@ohiosecretaryofstate.gov. Visit our web site at www.ohiosecretaryofstate.gov to review your corporate records.

If you have already submitted the corporation's statement of continued existence, please disregard this notice.

Sincerely,

Jon Husted
Secretary of State
