Dear Sir or Madam:

Pursuant to Ohio Revised Code Section 1776.83, each limited liability partnership must submit a Biennial Report verifying and, if necessary, updating the information contained in the registration application or statement of qualification. The report must be filed between the first day of April and the first day of July of each odd-numbered year that follows the calendar year in which the partnership initially files in our office.

The above-named partnership is delinquent in filing the report for the reporting year, 2021. Failure to submit this report within 30 days from the date of this notice will result in cancellation of the registration with the Ohio Secretary of State.

The information must be filed electronically through Ohio Business Central. The filing fee for the report is $25.00. Please see the reverse side of this letter for step by step instructions on how to file the biennial report at OhioBusinessCentral.gov. If you have additional questions, please contact our customer service department at (877) 767-3453. You may also e-mail our customer service department at Business@ohiosos.gov.

Yours in service.
